

- EN** The angles shown in this document are the adjustable range of the stand not actual operational angles.
- NL** De hoeken die in dit document worden weergegeven, zijn het instelbare bereik van de standaard en niet de daadwerkelijke operationele hoeken
- FR** Les angles indiqués dans ce document correspondent à la plage de réglage du support et non aux angles opérationnels réels
- DE** Die in diesem Dokument gezeigten Winkel sind der einstellbare Bereich des Ständers, nicht die tatsächlichen Betriebswinkel
- ES** Los ángulos que se muestran en este documento son el rango ajustable del soporte, no los ángulos operativos reales.
- IT** Gli angoli mostrati in questo documento sono la gamma regolabile del supporto e non gli angoli operativi effettivi

**DESQ**

- EN** Note: make sure the Notebook stand is stable and placed on a flat surface before placing your laptop or tablet on it.
- NL** Let op: Zorg ervoor dat de notebookstandaard stabiel is en op een vlakke ondergrond staat voordat u uw laptop of tablet erop plaatst.
- FR** Remarque: Assurez-vous que le support pour ordinateur portable est stable et placé sur une surface plane avant d'y placer votre ordinateur portable ou votre tablette.
- DE** Notiz: Stellen Sie sicher, dass der Notebook-Ständer stabil ist und auf einer ebenen Fläche steht, bevor Sie Ihren Laptop oder Ihr Tablet darauf stellen.
- ES** Nota: Asegúrese de que el soporte para computadora portátil esté estable y colocado sobre una superficie plana antes de colocar su computadora portátil o tableta sobre él.
- IT** Nota: Assicurarsi che il supporto per notebook sia stabile e posizionato su una superficie piana prima di appoggiarvi sopra il laptop o il tablet.

- EN** Note: If everything is already running smoothly, skip this step.
- NL** Let op: Als alles al soepel loopt, sla deze stap dan over.
- FR** Remarque: Si tout fonctionne déjà correctement, ignorez cette étape.
- DE** Notiz: Wenn bereits alles reibungslos läuft, überspringen Sie diesen Schritt.
- ES** Nota: Si todo ya está funcionando sin problemas, omite este paso.
- IT** Nota: Se tutto funziona già senza intoppi, salta questo passaggio.
